Pick one tiny play start

A familiar adult can read. Choose, watch, change, rest or finish. Your own idea can be different.

11 · A welcome with a choice

Would our visitor like to join, watch, or do something else?

12 · A job that helps

What little job would help our pretend place today?

13 · Room for two ideas

Can our tiny place hold two different ideas?

14 · Ask before a change

May I change this part, or shall it stay?

15 · A turn we agree

How could we both use this pretend place?

16 · A sign with a purpose

What should this mark tell our visitor?

17 · One small change

Shall we try one change in our paper place?

18 · A message that gets there

Who is our message for, and how shall it arrive?

19 · A place ready for next time

What could we keep ready for another little visit?

20 · A welcome someone can use

What one thing would help a willing visitor join?
