

School-selected real source slot

Blank local insertion card with source and observation prompts.

Educator approves any real local source before use.

APPROVED REAL PRODUCT / SERVICE / ENVIRONMENT

Name or description supplied by educator:

What did a child actually see or handle?

Source / date / local review (educator only):

Ask: Who made/arranged this? For whom?

What purpose? Which actual feature did we see?

Leave blank if no real source is approved.

No local cultural, family or school result is supplied here.
