

Check A · fresh puppet request board

Two fictional message panels and one-at-a-time purpose.

FICTIONAL PUPPET · no real help request

PLEASE POINT

I WILL LOOK FIRST

PURPOSE: show ONE message at a time.

IDEA 1: one broad-paper way?

IDEA 2: a different safe way?

Choose and say what a real reader would need to show.

No puppet preference or reader result was tested.

Keep first child-controlled ideas before feedback.
