

Design idea · action · evidence mat

Four broad blank regions for honest child-controlled design evidence.

Record child idea, action, result and cue separately.

PURPOSE / USER

Who is this paper helper for?

TWO IDEAS / CHOICE

Which different shapes? Why choose one?

REAL ACTION / RESULT OR NOT TRIED

Who handled paper? What truly happened?

NEXT CHANGE

What would you change or test later?

Plan alone does not prove making or a test result.
