

Safe broad-paper page-turn trial

Four ordered optional steps and an unfilled actual result.

School-approved broad paper and clear table only.

1 FOLD BROAD TAB

Use flat hands; choose a broad edge.

2 PLACE PAGE

Keep the page away from table edge.

3 LIFT EDGE

Lift gently if comfortable and approved.

4 TURN ONE PAGE

Look at what actually happened.

ACTUAL RESULT: TURNED / SLIPPED / NOT TRIED

Select only after a real safe try or mark NOT TRIED.

No sharp tools, tiny parts or forced physical handling.
