

Pad design and evidence record

Blank fields: purpose, choice, handler, actual report and next question.

Keep design, physical action and real response separate.

USER / PURPOSE

Who is this for? What do they need?

TWO IDEAS / CHOICE

What differs? Why choose one first?

HANDLER / ACTUAL ACTION

Who touched what? Cue or dry A/B separately?

USER / BASE / NEXT QUESTION

Exact feedback or A and B position; what remains?
