

Safe broad-pad steps

Four school-gated steps; no result is selected.

STOP for discomfort, unsuitable material or no approval.

1 ADULT CHECKS

Clean broad material, allergies, access, clear dry table.

2 CHOOSE A BROAD PAD

Child proposes; adult prepares and approves real pieces.

3 TRY ONE APPROVED ACTION

Optional gentle cue OR adult places empty A then B.

4 ASK AND RECORD

Exact user response or each actual visible base position.

No approved action? Write NOT TRIED; keep the design.
