

Safe evidence-guide steps

Four adult-controlled steps, with a no-material path.

No moving-object release, load or pressure test here.

1 ADULT CHECKS

Clean broad paper, source, privacy, access and user.

2 CHILD PLANS CUES

Two ideas, chosen listener, clear source/status words.

3 MAKE OR DIRECT

Only approved marking/placing; record real handler.

4 ASK USER / RECORD

Exact willing response, prompt or NOT TRIED.

No approved action? Plan and write NOT TRIED.
