

A two-frame paper screen

Point to a choice. An adult reveals the next frame. No device or data collection.

FRAME 1 · Choose what happened

I am finished with the book

A page is loose

NEXT

No name or photo needed.

FRAME 2 · Return and tell

Put the book and loose page
together in the wide box.

Tell an adult.

BACK

No name or photo needed.

Both choices lead to the same general next frame. This paper stores nothing.
