

Mira's map and the tent label

An original fictional story. Read all four scenes in order.

SCENE 1 • BEGINNING

Mira drew a paper map of a pretend park for a paper puppet visitor. She marked a pond and a reading tent.

SCENE 2 • PROBLEM

When Mira opened the map, the tent label slid behind a flap. The puppet said, 'I can see the pond, but I can't find the tent.'

SCENE 3 • ACTION

Mira lifted the flap, found the label and put it beside the tent drawing. She asked the puppet to try the map again.

SCENE 4 • ENDING

In the story, the puppet pointed to the tent and said, 'There it is.'
Mira pressed the label flat so it would stay visible.
