

Jules's story note

One fictional person's first-person account.

SOURCE B · JULES'S OWN FICTIONAL NOTE

JULES writes:

"I like our made-up Page Nook.

Pat showed us how to fold a paper book.

Emi chose the cover.

I was born in Cairns.

We tell stories together there."

Jules speaks for Jules; Emi's feelings are not given.

This is invented, not a child's private family source.
