Two pictured times and two individual notes.

## FRESH CHECK B · MADE-UP MESSAGE WALL DAY

### SOURCE 1 · TWO PICTURE TIMES

FIRST YEAR · OPENING

NEXT YEAR · NEW NOTES

Some people put up new notes next year to remember the opening.

### SOURCE 2 · SOL says:

"I came with Dad in the next year. We put up a paper note to remember when the wall first opened.

I liked its blue border."

### SOURCE 3 · LEE says:

"I helped open the message wall in the first year.

I did not come back in the next year."

This whole case is fictional.
