

Two Story Cart voices

Mara and Ivo report different moments.

SOURCE C · TWO INDIVIDUAL NOTES

MARA says:

"The opening matters to me because Kit let me choose the first story. I came back the next year and drew a new cover to remember it."

IVO says:

"I came only in the next year. I liked looking at the new covers. I cannot tell you what the first opening felt like."

Each note speaks for its own writer only.
