

A care step · ask the source

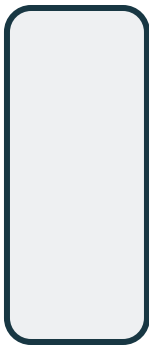

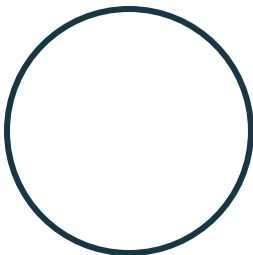

A request, a child's explanation and an action record are distinct.

SOURCE D · LEX'S CARE REQUEST

“Leave picture pages on the bench shelf. Ask me before moving pots or the screen. This is a care step, not a use report.”

PAGES ON BENCH SHELF

ASK LEX FIRST

SOURCE / EXPLANATION / ACTION

Who gives the step? How can this place be looked after?
What actually happened? Leave action blank until observed.
