

Fresh A · Paper Arch

Hold until Day 175. Read neutrally; use separate learner prompts after release.

A1 · DRAWING

“Paper Arch: a rectangle picture wall is on the left and an oval reading pad is on the right. This is an invented place drawing.”

A2 · PLAN

“I plan the same wall-page and pad-page beside each other, or wall-page below pad-page. This is a plan, not a use report.”

A3 · UMA SAYS

“The wall matters to me because I show my paper story pages there. This is my own reason.”

A4 · OREN ASKS

“Return picture pages to the broad pocket after use. Ask me before putting a page on the wall. This is a care request.”

A5 · VES REPORTS

“During one paper try, I looked at the beside layout. I pointed to the pad-page when asked. I have not reported other people’s use.”
