

Ask first and return · D

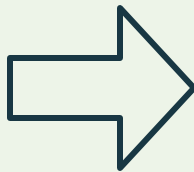

Requested care is not permission for a real action or a report that someone has done it.

D · DARA ASKS

“Look after this corner by returning picture pages to the broad folder after use. Ask me before putting anything on the board. This is a care request.”

ASK BEFORE BOARD

BROAD FOLDER

REQUEST · permission and done stay separate

CARE FLAP

Tell the sourced step. Ask before action. Leave done blank unless actually observed under permission.
