

Make a try logbook

Four broad flat panels or adult-folded pages. Plans, source accounts and actual actions stay separate.

1 FIRST PLAN / DIRECTION

Place feature/source; person says; care step; planned layout; first exact direction. No response pre-filled.

2 ONE TRY / REPORTED ACCOUNT

Reported or actual? Actor/source; time/view/layout; exact question and response/help, pass or unobserved.

3 ONE REVISED STEP

Keep first words. Revised words/source reason; renewed willingness/permission; exact retry response or OPEN.

4 CARE HANDOVER

Feature/meaning/care source; approved return or owner-review kit; actual action/help or not done; later use OPEN.
