

Two feature-page plans · B

Proposals only. Neither arrangement is an actual use result or a claim about all people.

B · TWO LAYOUTS PLANNED

“I plan two layouts for the same board-page and table-page: side by side, or board-page above table-page. A planned layout is not a use report.”

PLAN · BESIDE

PLAN · TOP / BOTTOM

SAME SOURCED FEATURE PAGES

Keep place meaning and care flaps with both plans. A reader may try or pass. Equal paper space is not agreement or fairness.
