

Fresh checks: teacher preparation

Two new fictional cases. Keep away from practice tables.

TEACHER HELD · Check A · Day 155

A: 12 identical broad star cards, spread out

B: 19 identical broad star cards, close together

Empty pocket: no hidden card

Loose numerals: 0, 11, 12, 13, 18, 19, 20

Ask: zero, both counts, more, order 11 / 12 / 13.

Precount privately; do not say the totals to the child.

TEACHER HELD · Check B · Day 160

Story 1: 6 badge cards; add 3; ask END.

Story 2: reset; 8 flag cards; take away 5; ask LEFT.

Use separate large sets and a USED pocket.

Record first child-controlled model before feedback.

Key is public by URL; these are not secure exams.

Full clean prompts and key are in separate files.

Do not display with routine practice before the named day.
