

Share fairly on paper; make equal groups

Large spaces for broad cards. Equality is a count, not a social verdict.

Equal share: one like piece per tray in turn.

TRAY A

Count: ____

TRAY B

Count: ____

Equal groups: how many in each? how many groups?

GROUP 1

Cards: ____

GROUP 2

Cards: ____

GROUP 3

Cards: ____

Same number in each tray or each group? Show why.

Adult may move pieces exactly where child directs.
