Own response · K later · An invented ladder island

Use only with this complete source (source.html). No sample answer is supplied. Child responses can be made work, directed fabrication, a specification, gesture, sign, AAC, speech, later or pass. An adult may scribe exact contributions, naming help.

Q1 · Is an actual permitted maker's work/account available here, or is it unavailable? Choose encounter, own making, later or pass.

Child's exact choice / actual work or plan / not observed:

Q2 · If encountered, what do you notice first, and what does the genuine account actually say? Unknown may stay unknown.

Child's exact choice / actual work or plan / not observed:

Keep the complete notice packet. Original expression CC BY 4.0; code/font/renderer terms separate.

Q3 · Only if the account supplies it, how/why does the work matter to that person? What would you ask or say about it? Otherwise leave this not observed.

Child's exact choice / actual work or plan / not observed:

Q4 · Make or direct an own wanted response, reject the source or keep a plan. What choice is yours?

Child's exact choice / actual work or plan / not observed:
