Select complete stages deliberately

- G: complete first (../stages/g-first/source.html) + own first blank (../stages/g-first/blank.html); separately complete later (../stages/g-later/source.html) + own later blank (../stages/g-later/blank.html). Target: Construct and inspect a chosen sequence.

- H: complete first (../stages/h-first/source.html) + own first blank (../stages/h-first/blank.html); separately complete later (../stages/h-later/source.html) + own later blank (../stages/h-later/blank.html). Target: Choose an actual cue or intentional wordless form.

- I: complete first (../stages/i-first/source.html) + own first blank (../stages/i-first/blank.html); separately complete later (../stages/i-later/source.html) + own later blank (../stages/i-later/blank.html). Target: A real manual trial, not merely a planned pause.

- J: complete first (../stages/j-first/source.html) + own first blank (../stages/j-first/blank.html); separately complete later (../stages/j-later/source.html) + own later blank (../stages/j-later/blank.html). Target: Compare genuine traces without inventing improvement.

- K: complete first (../stages/k-first/source.html) + own first blank (../stages/k-first/blank.html); separately complete later (../stages/k-later/source.html) + own later blank (../stages/k-later/blank.html). Target: A real maker encounter stays distinct from generated fiction.

- L: complete first (../stages/l-first/source.html) + own first blank (../stages/l-first/blank.html); separately complete later (../stages/l-later/source.html) + own later blank (../stages/l-later/blank.html). Target: Actual willing sharing and reply or NONE.

Read the staff conditions and descriptive criteria (assessment-and-next.html) before selection, away from the child. Later is held until actual targeted teaching and the documented interval. Do not send this index, another stage, the key or worked solutions in a learner's first-stage selection. Ordinary lesson/reference/rights material can accompany a deliberately selected source/own blank, without staff answers or other stage themes.

Complete notice (../ordinary/source-notice.html)

Keep the complete notice packet. Original expression CC BY 4.0; code/font/renderer terms separate.
