One steady beat can hold one or two short sounds

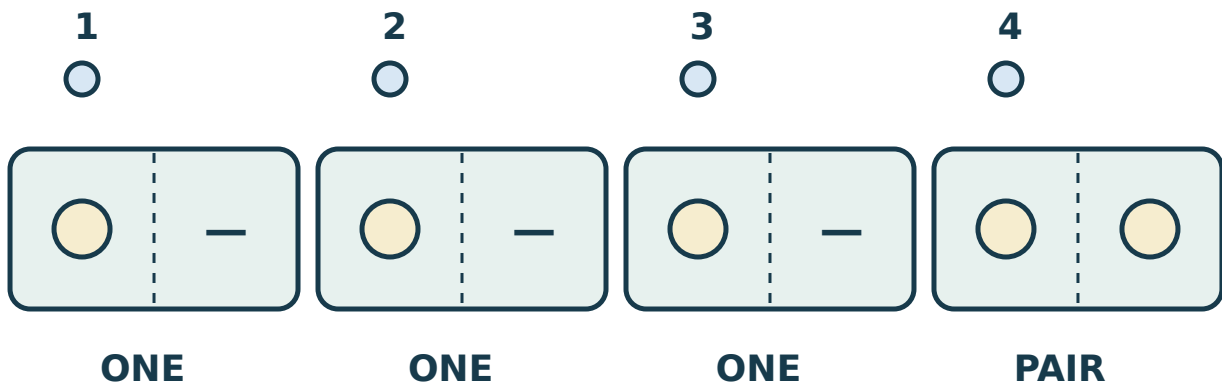

## E · Move the pair, keep the beat

**ONE = ONE SOUND / PAIR = TWO INSIDE ONE BEAT**

Dots above the rhythm mark the four even beat starts.

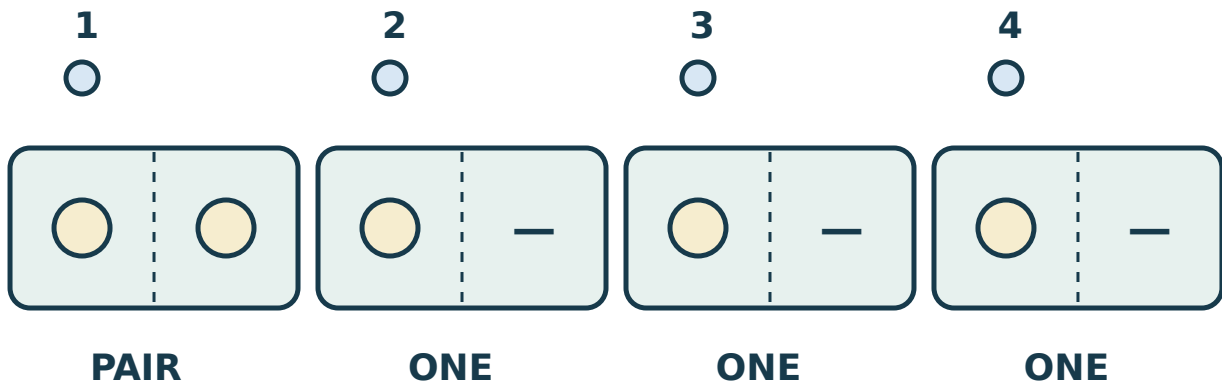

### FIRST RHYTHM

FOUR BEAT STARTS

### ANOTHER RHYTHM

FOUR BEAT STARTS

**Same four beats; same five sound events.**

The pair moves from beat 4 to beat 1.

Maker choice / actual listener words stay separate.
