One steady beat can hold one or two short sounds

A · One beat, one or two sounds

ONE = ONE SOUND / PAIR = TWO INSIDE ONE BEAT

Dots above the rhythm mark the four even beat starts.

ONE BEAT · TWO CHOICES

ONE

one short sound
at the beat start

PAIR

two short sounds
start, then middle

The beat stays the same length.

PAIR sounds follow each other; not together.

Small dash = no second sound in this beat.

Choose a tiny opening or ending of your own.
