

Our temporary observation key

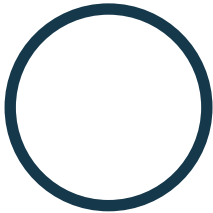

Explain each mark. Source and date decide what it can say.

STRAIGHT EDGE SEEN · □

Use only for a straight edge in the named source. A drawn rectangle is not a real object.

CURVED EDGE SEEN · ○

Use only for a curved edge in the named source. Keep actual and drawing apart.

NOT CHECKED · ?

This means unknown or not yet checked. It does not mean false.

Temporary classroom key. Not an official safety sign. Add source and date.
