

Move safely · record honestly

A local preflight comes before any actual trial.

1 ASK

What could this safe source show?

2 PREDICT

I think ... before the try

3 PREPARE

approved object, flat lane, START, CATCH

4 TRY

adult controls a slow release; no forced touch

5 RECORD

source, date, action, actual result or NOT TESTED

6 SHARE

say what happened here and what is unknown
