RA-later — own response blank

Use only the complete RA-later source (source.html); the educator supplies it separately. No key/model is here. Blank means not recorded. An exact wanted scribe can record your words/marks.

Question 1

Name one source feature and locate it from the marked viewpoint.

My actual response or marks/exact account:

Question 2

Produce your own source-labelled two-feature record/model or exact account and meaning key.

My actual response or marks/exact account:

Keep the complete notice packet. Original expression CC BY 4.0; code/font/renderer terms separate.

Question 3

Give a source-supported feature-aspect description, or state a real limit on classification.

My actual response or marks/exact account:

Question 4

Ask a next inquiry question and identify missing information rather than fill it in.

My actual response or marks/exact account:

Keep the complete notice packet. Original expression CC BY 4.0; code/font/renderer terms separate.

Actual conditions — educator records privately

Source ID and version / actual source access / prior exposure: ____

Response date / actual usual communication or access / exact neutral reading: ____

Child's own question/meaning/creative or recording contribution: ____

Wanted adult scribe/fabricator/operator contribution / specific teaching prompts: ____

Actual product/record / plan only / not observed: ____

Actual trial if any / not tried / actual operator / observed result or unknown: ____

Actual interview or field visit: NONE / separately authorised and documented ____

Actual willing recipient/presentation/reply: NONE / ____

Matching first response retained / absent: ____

Later release only: actual unrelated teaching date/source/target/action/child response/support: ____

Actual interval / exposure / later conditions and support changes: ____

Component interpretation / specific next teaching / no automatic gain: ____

An imagined source does not manufacture actual local features, human perspectives, cultural knowledge, fieldwork, making, sharing or attainment.
