My actual guide and try record

Use one field, several or an exact wanted scribe. Blank means not recorded, not a wrong answer. No name, address or photo is needed. This is an ordinary learning record, not a prefilled assessment answer.

My useful job: ____

My actual source: invented / provided factual / approved local observation / other ____

Source ID, provider, place, period and actual access/read/description: ____

My question: ____

My actual feature marks/labels/model or exact description: ____

Viewpoint/key/source line: ____

What I chose or created: ____

Wanted helper's exact making/writing/operation: ____

A task I might try: ____

Actual try: not tried / self-trial / real willing helper ____

Who actually operated; actual task/date/conditions: ____

What actually happened or is unknown: ____

Actual response/reply: NONE / ____

Genuine kept earlier version: unavailable / ____

Current version and keep/change/stop choice: ____

Source detail, my conclusion/proposal and what still needs checking: ____

Optional actual sharing: private / later / actual willing recipient ____; what was actually shown/described ____

Next teaching or next question: ____

No field invents an interview, fieldwork, local feature, real maintenance, actual recipient or achieved learning. A supplied fictional quote stays supplied fiction.
