

Problem to criteria

Build a problem from a source, not from a preferred solution.

1 WHO / TASK

Doorway reader needs to find either side room.

2 PRESENT DESIGN

Current Card B plan gives only L and R.

3 BRIEF CONSTRAINTS

A4 portrait; black print; arrows must match corridor.

4 UNKNOWN

Real sightline and reading distance are not supplied.

PAPER-CHECKABLE CRITERION

Both destinations have full-word labels on the draft.

A labelled draft is not proof of real-world wayfinding.
