

Name who carries the effect

Personal, social and economic claims need a mechanism

A possible effect is a hypothesis until checked.
Include people who may lose an existing route.

1. WHICH GROUP?

Your source detail / decision: _____

2. WHAT CHANGES FOR THEM?

Your source detail / decision: _____

3. POSSIBLE EFFECT

Your source detail / decision: _____

4. WHAT WOULD YOU OBSERVE?

Your source detail / decision: _____

WORKED FICTIONAL EXAMPLE

Club member with poor data → misses web-only update.
Keep a paper notice; observe who relies on each channel.

TRY IT: What cost or benefit has not yet been measured?

Tactile / low-vision route:

Connect group, change and effect cards; add an evidence card.
