

G · The folded map

NEW G · THE FOLDED MAP

Fictional maker lab; no actual place or culture.

TALA: “The arrow points both ways.”

NORI: “The model goes on display in one minute.”

TALA: “Turn the paper; the back has a key.”

NORI: “Wait. The key is for another model.”

FOLDED MAP

MODEL

The map and model are separated. The script does not reveal a correct route or the audience’s reaction.

New check: choose a stage decision; keep the facts.

Fictional and original · directing or analysis route always available.
