Adult local fact review

YOUR RESPONSE · words, drawing, signing or wanted help

Adult-only source review. No child identity, cultural knowledge or current local result is pre-filled. Choose one narrow safe public-source question.

1. Which publisher, URL, place, period and check date were actually reviewed?

2. What is directly supported, derived, inferred or unknown?

3. What copying permissions, local suitability and complete learner response route apply?

4. What criteria and unrelated next teaching apply? Leave learner work empty.
