

# Where does a thousandth sit?

Mark 1.232 and 1.253. Explain which labelled values each lies between.

## Build the same value in place-value columns

| ones | tenths | hundredths | thousandths |
|------|--------|------------|-------------|
|      |        |            |             |
