

A careful argument for a real reader

Name the decision and audience. Link evidence to a source ID.

Reader / decision: _____

1 RECOMMENDATION

What should the reader consider, and under what condition?

2 EXACT EVIDENCE

What did a named source actually record or say?

3 LIMIT OR COUNTERPOINT

What is not shown? Which different view matters?

4 CAREFUL NEXT STEP

What could a small test or new question find out?

Source ID(s): _____

Check: [] exact [] conditional [] fair to other views [] revised

The stages may be reordered if the reader can still follow each job.
