

Claim, source, reach

What did the text actually show, and what is still open?

SOURCE / SET

Name the paper model, date or writer. Is it invented?

OBSERVATION / EXACT WORDS

Quote a line or table cell before inferring.

SUPPORTED CLAIM

What does that one source justify?

STILL UNKNOWN / OVERREACH

Which wider claim needs another test or source?

NEXT TEST OR REVISION

Name one change you could actually inspect.

Two equal routes do not prove a label is correct.
