

One line, two kinds of meaning

Use exact words; different supported readings can stand.

LITERAL LINE IN A MODEL

A drawn rail or paper margin can be measured.

Source detail: _____

LINE AS IMAGE / VIEWPOINT

Story: an edge can become an invitation.

Poem: a line can look like a gate or sky.

Exact phrase and possible effect: _____

PUNCTUATION CHOICE

Dash — pause or turn. Semicolon ; close linked ideas.

My original two-line choice / revision:

Ask: which word or mark changed the reader's view?

Do not turn a literary image into a real site claim.
