

## HASS source and choice grid

**Use the labels in order; each box can be read alone.**

Point, write, direct a partner or speak/AAC your choice.

### 1 ORIGIN + STATUS

Who made this, when and why?

Simulation is not an archive or real tally.

### 2 EXACT DETAIL

Copy a number or a short source phrase.

Check units and who is represented.

### 3 SECOND CRITERION

Compare access, evidence, cost or viewpoint.

A quick answer may omit a group or condition.

### 4 BOUNDED DECISION

Say what follows from the supplied detail.

Name one source you still need.
