

HPE choice and participation

Use the labels in order; each box can be read alone.

Point, write, direct a partner or speak/AAC your choice.

1 OFFER CHOICE

Ask which role or route works for the person.

Do not assign a fixed ability label.

2 ASK + HEAR NO

Use a specific request before touch or sharing.

Accept refusal; choose a waiting/other route.

3 TRY OR DIRECT

Use safe movement only with local approval.

Record who actually moved or performed.

4 CHECK FAIRNESS

What did each willing person get to do?

A paper plan is not observed participation.
